

Steel Authority of India Limited (SAIL) is in the process of selection of a Mine Developer for Development, Mining & Operation of “Rowghat iron ore mine”.

SAIL has proposed to develop Rowghat Deposit “F” for 14 MTPA ROM capacity to meet requirement of Bhilai Steel Plant (BSP). SAIL is looking for technically competent and financially sound Mine Developer cum Operator (MDO) to undertake the development and operation of iron ore mine at Rowghat.

In this regard a Pre-Bid meeting has been organised by SAIL along with its Transaction Advisors aXYKno Capital Limited on 24TH September 2011 at Bhilai Niwas, Bhilai at 11 A.M.

Purpose of this meeting is sensitizing prospective developers on this project. Prospective Developers interested to participate in this process are requested to attend above meeting. Please find attached to this invitation a concept note on the project.
